

Packaging types for food and beverages

Collection/takeaway

Service packaging

can be purchased with pre-participation or you can do all this yourself:

1. Register with the LUCID Packaging Register
2. Organise system participation
3. Report packaging volumes

or reusable packaging*

1. Register with the LUCID Packaging Register
2. You are required to fulfil certain return and recovery obligations (section 15 VerpackG) and to provide evidence thereof.

Self delivery

i Packaging used by an F&B business or a third-party delivery service to deliver food or drinks to a customer is not considered service packaging. Under the VerpackG (Packaging Act), it is shipment packaging.

Shipment packaging

Using pre-participated packaging is not an option. You have to:

1. Register with the LUCID Packaging Register
2. Organise system participation
3. Report packaging volumes

Third-party delivery

or reusable packaging*

1. Register with the LUCID Packaging Register
2. You are required to fulfil certain return and recovery obligations (section 15 VerpackG) and to provide evidence thereof.

* Check the knowledge base dedicated to packaging types to learn more about the statutory requirements and obligations associated with reusable packaging ↗.
