

Ordering food and beverages for take-away consumption

Collection/take-away

Service packaging

can be purchased pre-participated
or you can do all this yourself:

- + Register with the LUCID Packaging Register
- + Organise system participation
- + Report packaging volumes

or

Reusable packaging*

- + Register with the LUCID Packaging Register

Own delivery

! If a food and beverage business or a commercial delivery service use packaging to deliver, for example, food or drinks to a customer, this packaging is not considered service packaging. Under the Verpackungsgesetz (Packaging Act), it is shipment packaging.

Shipment packaging

Purchase of pre-participated packaging not possible. **Consequently**, do this yourself:

- + Register with the LUCID Packaging Register
- + Organise system participation
- + Report packaging volumes

or

Reusable packaging*

- + Register with the LUCID Packaging Register

* For requirements on reusable packaging, refer to section 3 (3) VerpackG (Packaging Act) and [FAQ 7.5.1 What is reusable packaging?](#)
